The Secret Ingredients to Home-Taste Recipes

Indonesian Authentic Traditional Recipe

The Story of Authentic Taste

Our History

From a small and humble home kitchen in Jakarta, our founder started out in 1990 out of her love for cooking. A great home cook, she has several favorite signature dishes beloved by family members, including close relatives and friends. Her secret lies in one key ingredient : different sauce base that brightens up every dish.

Our 1st product 'Sambal' aka Chilli Relish was created to allow all families to recreate the authentic flavours that remind you of home. Made of local spices with intense taste, Cap Ibu is the pioneer brand to sell Sambal Terasi in jars as an export commodity.

Next is 'Bumbu Masak' or Instant Seasoning, a diverse range of different condiments to allow even more culinary explorations in home kitchens everywhere. Our products now come in various sizes, all packed with the highest care in quality, hygiene and convenience.

Over the years, Cap Ibu continues to thrive with different flavors over 70 types of Sambal and Bumbu Masak.
